Sheila Ann Herron

JUL 24, 1962 - SEP 6, 2021

On Monday, September 6th Sheila Ann Herron lost her fight with cancer and passed from this world. She is survived by her Husband Timothy McNicholas, her 3 children Vincent Kellams, Amanda Kellams, and Johnnie Little. She was loved by all and had a lasting impact on anyone she called friend. She was married to her husband for 22 glorious years. There are a number of grandchildren as well whom she was surrounded by till the day she passed. She will be greatly missed by all who knew her. There will not be a funeral as per her wishes. She loved her family and friends and made sure they all knew it. May the Good Lord Take Her to his Kingdom that she may find peace and joy in his sight.

Me and My Wife were introduced to each other thru her son Vincent. We had become fast friends thru our enjoyment of video games. Little did I know that after leaving my house he would go home and tell his mother what a great guy he had met... Then he introduced us. She was wearing a pair of pink sweat pants at the time and when she walked away I knew she was the one.....We shared 22 years of our lives together. Not all of them easy by any means but the love we shared and the commitment we made to each other saw us thru even the hardest of times. Her pain is over, her love continues on in mine and her family's hearts. She was without a doubt the love of my life and this world will be a little less bright without her in it. A thousand years is but the blink of an eye in the great scheme of things so I take solace in the fact that we will be together again soon. I love you forever and always. Wait for me and I pray every day that the lord has taken you into his fold and keeps you safe till I can hold you in my arms again.....

Sheila was there to witness me become an adult. She was an part of my family. She will be missed dearly! I'm only able to take solace in the fact that she shared her love with so many. She gave her light to the world freely and the world is a better place for it. Rest in Paradise.

She was my best friend for 50 years, sharing everything from Barbies to grandbabies. Our girls, (my only & her oldest) were born 5 days apart. That's real sharing! She was the calm to my storms, the reason to my craziness, & the friend that will never have a replacement.
