Such sadness I have in my heart knowing that I no longer have my aunt Joanne here on Earth with me but I am so happy for her since she is where she has wanted to be with her beloved Jack. I have so many memories I can't begin to write them all here how she helped me learn how to make fudge how she made the most wonderful potato soup for Jackie and my lunch when we were in school. How she taught me all the tricks and trades of camping and all the hacks. How she was a wonderful room mother with my mom when Jackie and I was at Stewart Avenue school. Always so proud to say that's my Aunt Joanne how she helped make all the Easter eggs at the school and do the jitney lunches at school.. Oh my God I can't forget her and my trip down big Darby Creek and the rubber raft when Uncle Jack got so mad knowing I could not swim and we were on our raft ride it was the trip of a lifetime we laughed until we peed our pants we laughed as we dipped The water out of the raft with our tennis shoes issues how we had to go around the cows that was in the water and blocked our way oh my God there are so many more. I love you with all my heart and I'm gonna miss you until the day I get to be with you myself.
