She loved to read, beaded needlepoint, going out to restaurants, attending movies with Richard, and was a formidable and fierce Scrabble player (to the chagrin of all who sat across the board from her). Susan loved her family with all her heart and always looked forward to spending time with her grandchildren as often as possible. Susan will be missed immensely by her children, grandchildren, siblings, and husband & best friend of 62 years. Her departing has left a hole in everyone's hearts that can never be filled. There will be a private memorial held for family and friends at a future date. In lieu of flowers, you may donate to Alzheimer's Association.
