Dear special brother of mine, I wish I could see you just one more time come walking thru the door , but I know that's impossible and I will not hear your voice no more. I know you can feel my tears and would not want me to cry, but my heart is broken as god took someone so special to me and I don't understand why. Life's surely isn't easy as we all know, life isn't fair by far. But you was my special step brother that one could never forget. Your laughs where so contagious I will never forget, the upcoming holidays will be so different without you there physically but you will be in all our hearts. Please watch over those you left behind, as we all will struggle with the pain of losing you. Please guide us all with the strength t carry thru. Every time I see the time, number date "4:20" I think of you, I won't know what to do without u but know I'll have you close to my heart ... Love ya brother FLY HIGH UPON THOSE MOUNTAINS Carrie & David McMahan
