Angie, Stacey and Zack I am so sorry you are all going through this heartache. I enjoyed getting to know your dad and he sure was something special. I have a lot of fond memories when he would go along with us on our little outings! I sure will miss him sitting in the front seat of the car when your mom would swing over for a visit with him. I know all of you have special memories you will cherish forever! I'm always here if you ever need anything!! Love you all Tracy
