Albert had the biggest heart and happiest smile. He learned the Wedding March to play on guitar while I walked down the aisle, and then serenaded us while we took pictures despite being the middle of July. A truly blessed man that will be missed.

I have known Albert since around 1994. He was a comical man and always managed to make me smile. He ate a peanut butter and juelly sandwich every day for 20 yrs lol. I was privileged to hear him play guitar in a number of settings. He even tuned my daughters guitar! We talked about everything under the sun, and he was always able to point out the humor in daily life situations He was a great guy and will be sorely missed! Dave and my daughters.
