I am glad your Mom had such a long life and that all of you could be with her at her passing. She was always an interesting person to talk with. I remember our visits to Aunt Gail's home and sitting in that wonderful family room visiting. I was surprised later in life that your Mom chose to use her first name. I had no idea that Terry was not her first name. I always loved her southern way of speaking. I have let Bill Haire, my uncle, know of your Mom's passing. On a different note, I have some pictures of your Dad from his time in the service that I found in my grandparents things. I put them aside for you. I tried to use Facebook sometime ago to let you know but I did not hear from anyone. If any of you would like these, please let me know. Lauris Humphrey Stockton (Janithe and Dick's daughter)
