Dear Angie and Stephanie: I am very sorry to hear of your mother's passing. She was all you said and was a good and caring friend. I don't know if you remember me but she gave me the race car bed and I gave Angie the dressers when she moved into her house. She talked about all of you all the time. I don't know how to contact Joe. I only met him once, but if you talk to him, please let him know he is included in my prayers, too. She and I didn't keep in touch the last few years. I just thought she and Joe was building a life because she had said they were going to marry. I knew she had had iron trouble every month-even since before she retired, but hoped that had finally been resolved. I do know how much she loved both you girls and all her grandchildren and I knew the Cookie had a baby. If you need anything, please let me know. The best number to get a hold of me is 614-466-7314. I pray for all of you and ask God to keep you close to his heart, especially right now. With love and sorrow, Beth Dunkle PS: I remember her fixing her nails, she could fix jewelry and was always sewing. She could fix about anything. She inspired me.....

I am so sorry to hear about your loss. I use to babysit for Bev. We aren't that much different in age and she was a great friend and a lovely person. I haven't seen her in years but have thought about her always. Ginny McElhinny
