## **Bryan Cook**

APR 13, 1985 - SEP 2, 2019

**B**ryan Cook, age 34, of Pataskala, OH, passed suddenly on September 2, 2019. Bryan was a graduate of Licking Heights High School and went on to be employed by Aetna and Kroger. An outdoor-sports enthusiast, Bryan enjoyed soccer, fishing, and boating. Passionate about his favorite teams, Bryan loved the excitement that radiated from inside the stadium while watching the Buckeyes or the Browns.

I'm so very sorry for the loss of your son Bryan! There really are no adequate words for the grief, questions and missing I know you are experiencing right now. I had the privilege of working with Bryan for a short time at Kroger and he was always kind and had a smile on his face. I pray for God's comfort to be with you and your family during this very difficult time.

I had the pleasure of being Bryan's trainer at Aetna for 2 back to back classes. So we were in the classroom everyday for the sum of around 20 weeks and he had just left my classroom to be on the floor 3 weeks ago. Between both classes & roughly 40 people combined he impacted each & everyone of us immensely and his absence is nothing short of devastating. On behalf of my classes and myself we will miss his big smile, laugh, heart, and jokes that made training something to look forward to & bonded us for life. To his family I send sincere condolences & prayers. Thank you for sharing this wonderful guy with us! Go Browns

I 'm so very sorry for your loss . I didn't know Bryan as well as some of his co-workers at the Kroger store in New Albany , but he was very kind to me when I came there . There are no words to help , but I hope your treasured memories and the fact that he is with our Lord gives you some comfort and your pain is eased somewhat. Heaven got a special Angel today. Prayers to your family always .
