Getting to know Jane over the years and how much she appreciated her love of her home and looking out those big beautiful windows and seeing nature right outside. Spending time with her favorite fur friends Luna and Suki. Jane loved life and all the fun times with her awesome son Jim and Dustin and Tyler.

Jim Evans posted:

"To Those I love "When I am gone, release me, let me go—I have so many things to see and do You mustn't tie yourself to me with tears, Be thankful for our many beautiful years. I gave to you, my love. You can only guess how much you gave me in happiness. I thank you for the love you each have shown, But now it's time I traveled on alone. So, grieve a while for me, if you must. Then, let your grief be comforted by trust. It's only for a time that we must part, So, bless the memories within your heart. I won't be far away, for life goes on. So, if you need me, call and I will come. Though you can't see or touch me, I'll be near. And if you listen with your heart, you 'll hear All my love around you soft and clear. And then, when you must come this way alone, I'll greet you with a smile and say ---"Welcome Home!"
