## **Tracy Goldberg**

APR 23, 1964 - SEP 6, 2023

**T**racy Goldberg, Reynoldsburg, Ohio, 59, passed away on September 6, 2023.

She was born on April 23, 1964, in Columbus, Ohio, the daughter of the late Harris and Joyce Goldberg. She graduated from Pickerington High School and Eastland Joint Vocational Center. Tracy also attended The Ohio State University.

Tracy was a supervisor at National Health Laboratories prior to sustaining an injury in 1991 that cut her career short. Coworkers and friends admired her commitment to her career and her phlebotomy skills.

She was a kind-hearted soul who deeply loved her family. She was devoted to her pets as well and committed to giving them the best in life. Among those who helped with their care were neighbors, Carol and Ginny, who cared for them as if they were their own.

Despite the challenges that came from her injury, Tracy prioritized health and home responsibilities. She took great pride in maintaining a lovely home and taking care of herself. Her generosity knew no bounds and she was always willing to give whatever she could to those in need.

In her free time, Tracy found joy in spending time with family, loving her pets, playing games on her phone, adept in using many forms of electronic technology that enhanced her wellbeing and watching the television series, "The Walking Dead". She especially admired the character, "Rick" because of his leadership and his ability to be a survivor.

When her health allowed, she attended Reynoldsburg United Methodist Church (now Reynoldsburg Community Church) for worship.

She is survived by her brother, Scott Goldberg, sister, Terrie Goldberg, niece Nicole (Shawn) Strong, and great nephew, Brayden, and great niece, Kirra, both of whom she adored dearly.

In addition to her parents, she was preceded in death by her niece: Madison Eubanks. A private family service to honor Tracy's life will be announced at a later date.

In lieu of flowers, donations to a pet organization, reflecting her deep devotion to animals, would be a fitting memory for Tracy.

**Terr** sent a virtual gift in honor of Tracy.

It's been a year & It's taken me this long to post ( which I never post anywhere), I still miss the funny, sad, sorrowful times & will always, until we all are reunited for eternal life. Amazing how much you miss loved ones when they're not here on earth & time doesn't always permit one to spend as much time as needed with them.

Quality was extremely important in Tracy's life. Very proud she could do what she did & now know what Hell she had to go through with the help that had been provided. I now understand her much better & know she's able to walk, run, & dance, her legs will be fully functional. Her hands will work & her brain will be better than ever! Blessings sister, miss you, love you.
