Tonie is my aunt and I've known her my whole life of 47 years. When I got older I discovered that I had a lot in common with her as well as my uncle Mike and no matter what they never judged me, and not one time have they ever talked down to me and I'll always remember that and the talks we had. I'm blessed and grateful to have had Tonie in my life. I'll miss her very much. My condolences to my cuzzins Mikie, Stevie, and Ashley. May the Lord comfort you during this time.
