Art and I started the same day at The Ohio State University. We were together our whole careers and afterwards at our Friday meetings at the stadium. He was my very best friend for many years. Words cannot express what a great guy, mentor, and friend, he was to me. I will miss him terribly!! My condolences to Jane, Aaron, Jessica, and the rest of his family. Sincerely C. E. Smith

OSU used to be like one big family and oh what a family it was. There were so many but my fondest memory of Leroy was one particular happy hour at the VC. It was a Friday before a football game. The place was overflowing with people. Leroy, Jane, Chuck and I along with some others moved outside to the sidewalk in front. We could still hear the music from inside. Too many beers... This little family started dancing to the tunes right there on Lane Avenue! Not a care in the world. Life was simpler back then. To this day, any time I hear a My Girl by the Temptations, I think of Leroy and smile. I will miss you. Rest in peace Art. Iris de la Motte
